

HARRIS HEATING & HARRIS ENERGY Privacy Policy

In providing the facility to enquire about our products via this website, HARRIS HEATING & HARRIS ENERGY collects information about you. In doing so, we take your privacy and our obligations under the data protection legislation very seriously. You have a right to expect a website to disclose its privacy policies - how your personal information is collected, used and shared. You also have a responsibility to choose which sites you feel comfortable disclosing such information to.

In order to comply with our obligations, HARRIS HEATING & HARRIS ENERGY must obtain your consent to the use of your personal information. Please ensure therefore that you read the following statement carefully. Enquiries about our products through the HARRIS HEATING & HARRIS ENERGY web site will be taken as consent to certain uses of your information.

Item A: Access to Registration Information

HARRIS HEATING & HARRIS ENERGY will under no circumstances give access to your registration information to any third party for any purpose, either commercial or otherwise. Consistent with our obligations under the Data Protection Act 1998, your information is maintained in what we believe to be a well protected environment. Neither HARRIS HEATING & HARRIS ENERGY any other website operator can, however, guarantee that your information will remain secure from unauthorised access.

Item B: Public vs Confidential Information

You acknowledge that all of your submissions through the website are public and not private information. Always use caution when giving out any personally identifying information about yourself or your household. HARRIS HEATING & HARRIS ENERGY specifically disclaims any liability with regard to any actions resulting from your submissions and postings to the public portion of the website. Generally, any communication which you post through the website is considered to be non-confidential. If a particular webpage or form permits the submission of information that will be treated by HARRIS HEATING & HARRIS ENERGY as confidential, that fact will be stated on those pages..
